

PBC INTERMEDIATE (ADVANCED) LEVEL PROTECTIVE BEHAVIOURS

WHO IS IT FOR

For those who have competently completed and achieved their Foundation Level course and qualification and who are looking to become lead wellbeing Protective Behaviours practitioners in their setting.

BENEFITS

- More specialised than the Intermediate (Champions) Course
- Wellbeing practitioner focus
- Combines a Level 3 Award in Employability & Leadership qualification
- Can lead to career and progression opportunities

PROGRESSION

- PBC Training for Trainers Programme
- Lead wellbeing practitioner in settings
- CPD workshop delivery
- Facilitators training for a variety of specialised Protective Behaviours programmes

THE COURSE

Advanced Intermediate Level Protective Behaviours Course is a 4 day accredited programme ideal for Protective Behaviours wellbeing lead practitioners. It combines the Level 3 Award in Employability & Leadership Qualification as well as exploring and applying the Protective Behaviours Process in more detail and its application within settings.

GOOD TO KNOW

This course is accredited by Open College Network West Midlands and offers the opportunity for practitioners to excel as lead wellbeing and Protective Behaviours experts in their setting.
