## BENEFITS

- Ideal to continue your Protective Behaviours learning journey
- Provides confidence to practitioners so that they can become a lead in Protective Behaviours in their setting
- Help to achieve outcomes in settings

## PROGRESSION

- PBC Advanced Intermediate Level Protective Behaviours Course (Leadership in wellbeing) accredited (QCF)
- Level 3 Award in Education and Training
- Facilitator training to deliver PBC 'Confident ME!' Wellbeing Course, Kairos "Feeling Safe: Knowing Me, Knowing You" CSE Programme.

## THE COURSE

The PBC Intermediate Level Protective Behaviours (Learning Champions) Course is an exciting interactive three-day accredited course taking Protective Behaviours learning to a higher level. Using an equally engaging delivery style to the PBC Foundation Level Protective Behaviours Course, learners have the opportunity to explore the Protective Behaviours (PB) Process at a much deeper, more sophisticated level, discovering the remarkable range of possibilities it offers in supporting professional practice and improving outcomes for organisations.

## GOOD TO KNOW

Prior to the course each learner will be sent an electronic pack of materials to bring to the course. Further resources will be provided by the Trainer. Learners will complete sections of the workbook during the course with one assessment activity to complete post-course and then submit the relevant sections as a portfolio of evidence to PBC for assessment. Accredited by Open College Network West Midlands.
